The San Xavier mine, south of Tucson, will soon increase the shipments of its products. Concentrators are to be placed on the property at an early date.

"Best on the market for coughs and colds and all bronchial troubles; for it has no equal," writes Henry R. Whitford, South Canaan, Conn., of One Minute Cough Cure. Copper Queen store.

The King of Arizona mine is running successfully, and Colonel Epes Rawlins says that 200 tons of ore are being worked every day. The ore is crushed by the roller process with amalgamation and the values are secured by cyanide.

De Witt's Little Early Risers permanently cure chronic constipation, biliousness, nervousness and worn-out feeling; cleanse and regulate the system—"famous little pills." Copper Queen store.

The authorities of this state (county) are preparing to make expenditures to Franklin and St. David. The party will consist of about fifty persons including a large number of singers. They will give concerts en route at Layton and Benson.—Graham Bulletin.

"They are simply perfect," writes Bobt. Moore, of La Fayette, Ind., of De Witt's Little Early Risers, the "famous little pills" for constipation and all liver ailments. Never gripe. Copper Queen store.

Frank Martin, an old prospector of the Tonto country, has been taken by Sheriff Armstrong to the insane asylum, says the Globe Times. The unfortunate man is about 50 years of age and has been prospecting in the northern part of the county for the past four years.

E. E. Turner, Compton, Mo., was cured of piles by De Witt's Witch Hazel Salve after suffering seventeen years and trying over twenty remedies. Physicians and surgeons endorse it. Beware of dangerous counterfeits. Copper Queen store.

Says the Deming Headlight: "Windham and Costillo, who shipped 1,400 head of cattle from this point this week, and who are the largest cattle raisers in the lower Gila, report that they have lost by death and thefts \$15,000 worth of cattle since January 1, 1899. They are removing their cattle to Colfax county. It is now high time this cattle stealing was stopped, if it has to be done by making some one jump off the cross bars of a telegraph pole wearing a leather crayat."

Chester H. Brown, Kalamazoo, Mich., says: "Kodol Dyspepsia Cure cured me of a severe case of indigestion; can strongly recommend it to all dyspeptics." Digests what you eat without aid from the stomach and cures dyspepsia. Copper Queen store.

Mr. Wm. Buckingham, of Fairbanks, Morse & Co., returned this morning from a visit to Clifton. He sold a 54-horse power gasoline engine to the Arizona Copper company while there. The gasoline plant of this company is the most complete of any used in the United States. Mr. Buckingham also visited the Lone Star district in Graham county, where he says there is considerable activity. The Qualey mines there have been stocked in Boston and extensive operations have already begun on the property.—Phoenix Herald.
